SKETCH

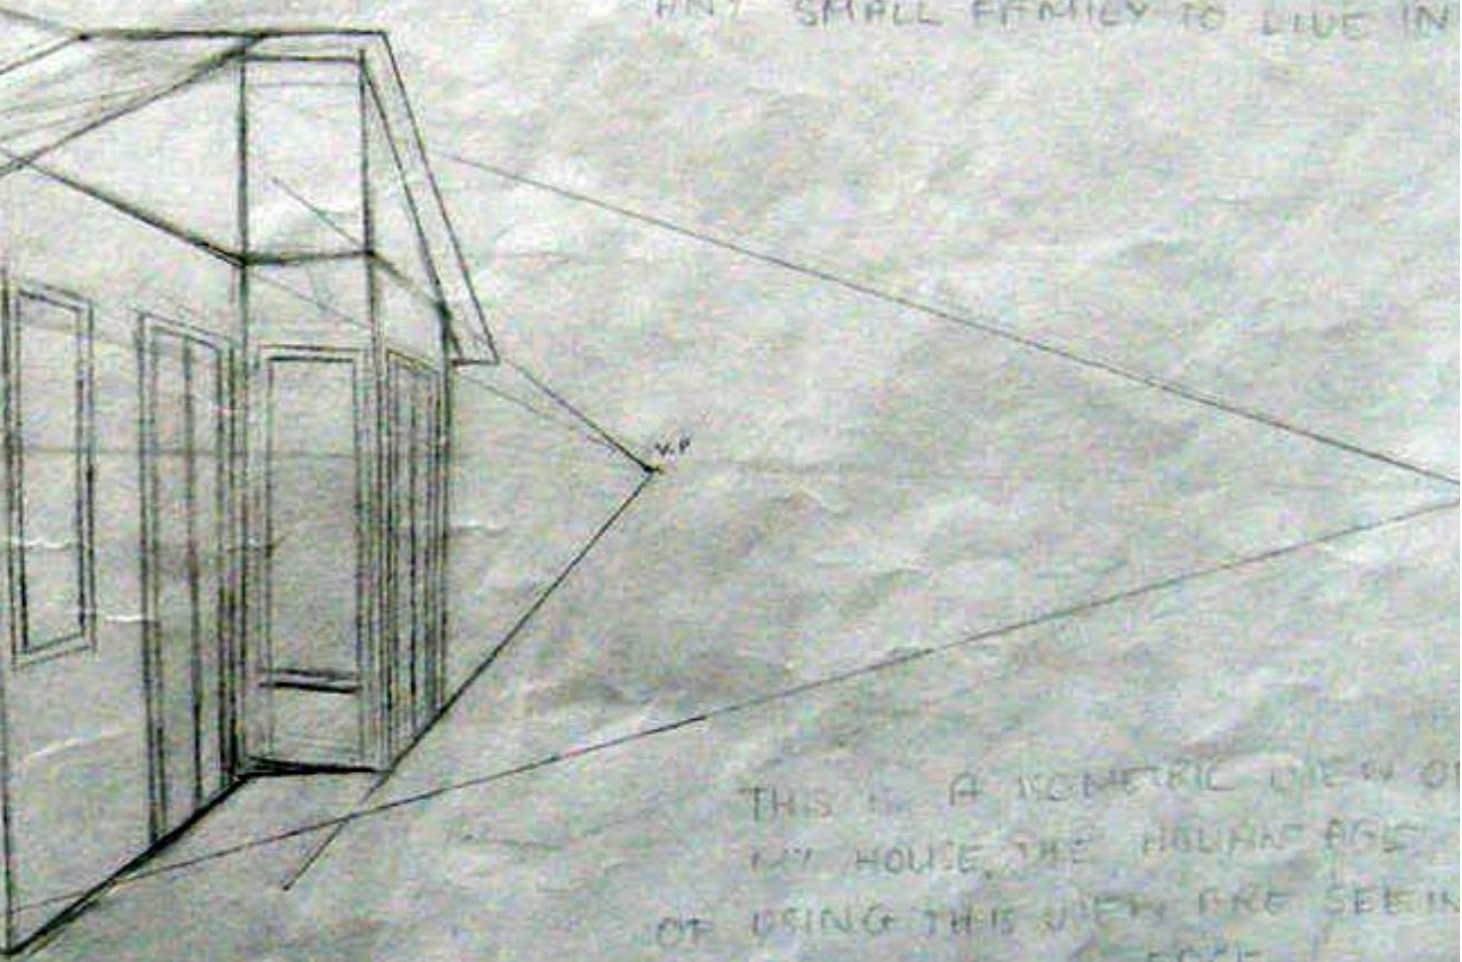

Rahuri Karu

Draughting Papers 2008

THIS HOUSE HAS A MODERN
DESIGN AND IS PERFECT FOR
ANY SMALL FAMILY TO LIVE IN

THIS IS A ISOMETRIC VIEW OF
MY HOUSE. THE ADVANTAGES
OF USING THIS VIEW ARE SEEING
THE MOST OF EACH FACE.

IT ALSO GIVES A GOOD DEPICTION
OF THE ROOF.

Sequential Planometric Sketch

SKETCH

THIS IS THE FINAL
VIEW OF MY HOUSE.
IT SHOWS THE STRUCTURE
OF THE ROOF AND THE
FINAL EXTERNAL VIEW
OF MY HOUSE...

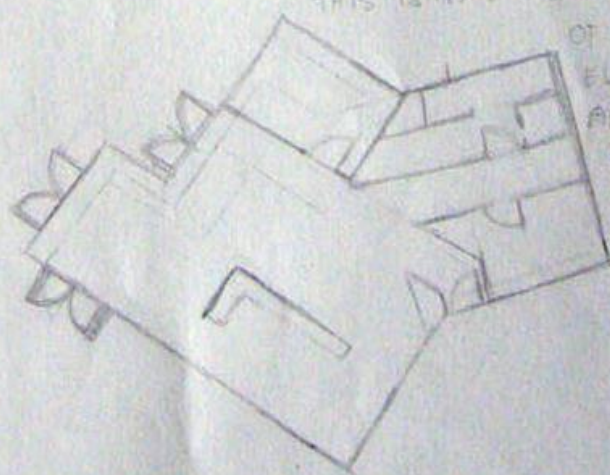

WITH THIS SKETCH THE WALLS
HAVE BEEN RAISED, SO NOW
YOU CAN CLEARLY SEE THE
ROOMS AND WHERE THE
DOORS AND WINDOWS FIT IN.
YOU

YOU CAN ALSO SEE
WHERE THE SMALL
FOOD BARN IS POSITION
SO YOU CAN DISTINGUISH THE KITCHEN FROM
THE LOUNGE AND DINNING AREA...

THIS IS A SEQUENTIAL PLANOMETRIC VIEW
OF MY FLOOR PLAN. IT SHOWS
EVERY ROOM IN THE HOUSE
AND ITS LAYOUT. THIS VIEW ALSO
HELPS TO SHOW THE FULL
STRUCTURE OF THE INSIDE
OF THE HOUSE...
